

We are proud to announce....

The adoption of a new Web-delivered K-8 technology literacy curriculum; Easy Tech. This curriculum will be replacing both Connected Tech (K-5) and Tech Connect (6-8). As of December 1, 2010, Connected Tech will no longer be available and Tech Connect is no longer available.

Easy Tech can easily and effectively integrate technology into Math, Science, Language Arts and Social Studies by providing teachers and students critical technology skills in the context of core curriculum and real world challenges with a self-paced, interactive curriculum.

Easy Tech provides comprehensive, scoped and sequenced lessons and activates that incorporate 21st century skills and technology skills into their curriculum.

Training Materials Now Available!

Located on the ITLS Website under the **Workshop Materials** <http://itls.saisd.net/main/>
There are videos and PDF instructions to walk you through step-by-step.

**Login information was sent to all SAISD Teachers via e-mail from Miguel Guhlin,
Subject title read: For K-8 SAISD Teachers: Easy Tech - Integrating Technology**

If you would like a face-to-face training, there is a class available on November 18th;
please register in ePath, seating is limited.

If you have any questions please call ITLS @ 527-1400
